Subject: Recording Fee Increase/HB 2436

BEGINNING September 28, 2009

During the 2009 Oregon Legislative session, House Bill 2436 was passed and later signed by Governor Kulongoski. The new law imposes a **\$15.00** fee on the first page of most recordings. This new State Fee will be sent to the State Department of Revenue and will subsidize low-income housing.

Beginning September 28, 2009 our recording fees will change to:

\$46.00 for the first page, \$5.00 for each additional page, and/or extra title, and extra release numbers.

Please see below a list of the documents that are **not** subject to this new fee.

If you have questions or would like more information, please feel free to contact our office at your convenience.

The documents exempt from the new fee are as follows:

- Instruments that are otherwise exempt from recording or filing fees under any provision of law
- Any satisfaction of judgment or certificate of satisfaction of judgment
- Internal county government instruments not otherwise charged a recording or filing fee
- Affidavits of Annual Assessment (mining claims)
- Warrants issued by the Employment Department pursuant to ORS 657.396, 657.642 and 657.646
- A certified copy of a judgment, a lien record abstract as described in ORS 18.170 or a satisfaction of judgment noticed by recordation of a lien record abstract
- Instruments presented for recording by the Department of Revenue
