City of Phoenix

**15-64 ANNEXATION OF PHOENIX
CITY TO ROGUE VALLEY SEWER
SERVICES (RVS)**

Question: Shall the City of Phoenix annex into the service area of Rogue Valley Sewer Services (RVS)?

Summary: RVS is currently providing sewer services to Phoenix by contract. Voters are being asked if the city should become part of RVS to continue this service.

RVS began providing sewer services to Phoenix in July, 2004. Since then, it has:

- Lowered residential rates from \$17.97 to \$16.40 per month (one of the lowest rates in the state);
- Added Water Quality Storm Services at no extra cost;
- Cleaned and inspected all 19 miles of sewer mains, identifying 92 sewer sections needing repair and have fixed 33 sections with the highest priority. And,
- Totally replaced 450 feet of pipe with another 500 feet to be done this spring.

Service rates *will not* be increased as a result of this annexation.

Annexation into RVS was approved by Eagle Point in 1998 by 90%, Central Point in 2000 by 94% and Jacksonville in 2005 by 97% of voters.

Annexation gives Phoenix residents representation in RVS decision making. Phoenix City Council and RVS Board of Directors unanimously adopted resolutions supporting this annexation. A YES vote will continue this partnership.
