**City of Jacksonville**

**15-61 Annexation of the City of Jacksonville to Rogue Valley Sewer Services (RVS)**

**Question:** Shall the City of Jacksonville annex into the services of Rogue Valley Sewer Services (RVS)?

**Summary:** RVS is currently providing sewer services to Jacksonville by contract. Voters are being asked if the city should become part of RVS so that RVS will continue to provide sewer service and so the citizens of Jacksonville will have the right to vote in RVS elections.

RVS began providing sewer services in July, 2003. Since then, it:

- Inspected all maintenance lines;
- Identified 109 sections needing repair and fixed 43 sections with the highest priority;
- Replaced 2800 feet of sewer lines; and
- Spent over twice as much on city projects, maintenance and treatment than the total amount paid by city rate-payers.

Service rates **will not** be increased as a result of this annexation.

Eagle Point and Central Point annexed into RVS in 1998 and 2000 with over 85% voter approval, so that their citizens would continue receiving sewer service and participate in RVS elections.

Annexation gives Jacksonville residents representation in RVS decision making. Jacksonville City Council and RVS Board of Directors adopted resolutions supporting this annexation. A YES vote will continue this partnership.

**Yes**

**No**
